

MastaCube® Cleaning Guide

Unplug your MastaCube.

Get two clean cloths
- one damp (water only)
- one dry

Wipe the interior,
especially the camera
glass, using the damp
cloth. Dry well.

Wipe all exterior surfaces
using the damp cloth.
Dry well.

Reassemble your
MastaCube, and
re-connect to
power and internet.

Press the grey clips and
remove the top section
of the MastaCube.
