

Registering your account is very simple, and takes just a few minutes.

1. Navigate to [www.mastatest.com/register](http://www.mastatest.com/register)
2. Enter your preferred account email address, and select your Country from the drop-down list.
3. If your distributor has not given you a code, select '**NO CODE?**'  
OR: If you were given a code by your distributor, enter this and select '**VERIFY**'
4. Select your account type (Farmer or Veterinarian), and enter contact details as requested.  
When finished, select '**CHECK DETAILS**'.
5. For farm customers, enter additional information on your herd and veterinarian as requested.
6. Enter your Lapbox details:

Enter Lapbox details

Lapbox ID

This can be found in the 'Lapbox Information' menu on the Lapbox.

Serial number

This can be found at the rear of the Lapbox.

**Lapbox ID:** This is displayed onscreen when the Lapbox is first started, and can be found in the Settings menu of your Lapbox.

**G3:** From the main Start menu, press  to enter the Settings menu.  
Scroll  to 'Lapbox Information' and press 

**G2:** From the main Start menu, scroll  to 'Lapbox Information' and press 

**Lapbox Serial Number:** This is on the back, next to the power and ethernet ports.

7. Read and accept the Testing Terms and Conditions, Privacy Policy, and Website Terms and Conditions and select '**CREATE ACCOUNT**'
